

Symposium Schedule

- | | | |
|-------|---------------|--|
| 24.1. | 13:00 - 13:15 | • Symposium opening |
| | 13:15 - 14:45 | • Keynote lessons |
| | 15:00 - 16:30 | • Advances in Remote Sensing - Radar remote sensing |
| | 16:45 - 18:45 | • Advances in Remote Sensing - Optical remote sensing |
| | 19:00 - 22:00 | • Banquet |
| 25.1. | 9:00 - 10:30 | • Advances in Spatial Modelling - Theoretical advances in spatial modelling |
| | | • Geoinformation Technologies Challenges - Spatial Infrastructures and interoperability |
| | 10:45 - 12:00 | • Advances in Spatial Modelling - Theoretical advances in spatial modelling |
| | | • Advances in Spatial Modelling - Applied environmental modelling |
| | | • Geoinformation Technologies Challenges - Challenges in software development |
| | 13:00 - 13:30 | • Poster session |
| | 13:30 - 14:45 | • AdvanceAdvances in Spatial Modelling - Applied environmental modelling |
| | | • Excursions - Czech Hydrometeorological Institute, branch office Ostrava
- National Traffic Information Centre (NDIC) in Ostrava |
| | 15:00 - 16:30 | • Advances in Spatial Modelling - Social-economy and technical systems modelling |
| | 19:00 - 21:00 | • Poster Award Ceremony with Refreshments |
| 26.1. | 8:00 - 12:00 | • Excursions - Leos Janacek Ostrava Airport |
| | 9:00 - 13:30 | • Harmonization and Integration Tools supporting INSPIRE implementation |
| | 12:00 - 12:15 | • Conclusion |
